TO:MR.GEORGE McMILLIAN, NOVELIST.4-28-71.

Dear Sir.

I have recently received a letter from you (forearded) dated April, 12th.1971, concerning an offer by you of $5.000.00 for a 'life story!

I am afraid I can't help you with any 'stories! I will proably have some'testimony' to give later on but that will be for the courts-unless I am involved in one of thoes foreordained suit's.

Further, I understand you have allready paid out considerable funds(a la f.b.i.)to characters, convicts of the stoole piegon type, to agree to stories you postulate.

Therefore, concluding, I would suggest that if you want ant 'stories'you contack the federal investagatives agencies.
It's common knowledge that they, under previous u.s.justice departments, have for years been in the reciprocal pandering business with 'time inc! the parent corporation of your publisher, little brown.

Sincerely;

James Ray
